

Online Visits Now Available

Aultman Deuble Cardiothoracic Surgery is excited to provide a new service to enhance the experience of our post-operative patients. AultmanNow allows you to see a provider through your computer or mobile device without leaving your home!

What is AultmanNow?

AultmanNow is a faster, easier way to visit the provider - online using your smartphone, tablet or computer. Private and secure, you can use AultmanNow in the location of your choice, such as home or work.

When would I use an online visit with AultmanNow?

Online visits are perfect for:

- Questions regarding your medications, post op instructions or discharge from the hospital.
